

Spring Hydrant Flush

Event Date

Sat, May 25 2024, 8am - 3pm

The spring hydrant flush will be done on Saturday, May 25th. Lower water pressure and brown-tinged water may occur during the flush. Please use caution washing whites and light-colored articles on this day. If you continue to experience any problems into Sunday, please contact our water department at 307-258-0994.
